Exceptional Home Care and Companion care

WE CARE LIKE FAMILY

Senior Care & Services

Care and Services

At Happy Home Care, we provide services in the client's home with the goal of enabling the client to remain at home. The services provided may include personal care services such as hands-on assistance with activities of daily living (ADLs), eating, bathing, dressing, and bladder and bowel requirements; homemaker services and instrumental activities of daily living (IADLs), e.g., providing medication reminders, shopping for groceries, laundry, housekeeping, and companionship; and/or supervision or curing so that a person can perform tasks themselves.
